NOTES

* **Consumer Price Index (CPI) is Ontario All-items Annual Average as found at (2.3% for 2018):**

<https://www150.statcan.gc.ca/t1/tbl1/en/tv.action?pid=1810000413&pickMembers%5B0%5D=1.14>

**2020/21 Fees have been provided in draft. Fees are subject to change based on the 2019 CPI or other administrative issues that arise that lead to requiring fee changes in 2020/21.*

Supplementary Fees have been designated Essential vs. Non-Essential based on MTCU guidelines. The Essential vs. Non-Essential designation is 'Not Applicable' (NA) for Fees Charged by the University as Incurred.

- SC This fee previously was a bundled fee that covered a variety of services. As a part of the Student Choice Initiative, the previous fee has been split up to capture the essential and non-essential components for students. The USFC has approved the designation of all essential and non-essential fees.
- 1 An email and/or note has been received from the Owner that indicates there will be no change in the 2019/20 & 2020/21 Fees
 - 2 An email and/or note has been received from the Owner confirming an increase by CPI or less than CPI. Calendar Year 2018 All-Items CPI for Ontario is 2.3%.
 - 3 No reply was received from the Owner after initial request and reminder emails were sent. When no reply is received, there is no change in the Fees from one year to the next. The 2019/20 & 2020/21 Fees will equal the 2018/19 Fees, therefore, the change is 0%.
 - 4 HSR Undergraduate fees from Public Works: Transit Division. MSU Referendum in March 2017 passed new fee for 17/18, 18/19 and 19/20.
 - 5 Increased fee from \$28.11 to \$33.11 was voted on and approved at the Society of Arts & Science Students AGM on January 30, 2019
 - 6 GSA Fees - Increased Health, Dental and Student Assistance fees passed at March 21, 2019 GSA AGM
HSR Undergraduate fees from Public Works: Transit Division. GSA Referendum in March 2017 passed new fee for 17/18, 18/19 and 19/20.
 - 7 Student Service Fee combines (Student Health Services, Student Career Services Fee, and Athletics & Rec) was approved at MSU Student Representative Assembly on April 23, 2017. Student Health Services, Student Career Services and Athletics & Rec fees are now charged as three separate fees for transparency. As per the Compulsory Ancillary Fee (CAF) Protocol Agreement that was signed on April 25, 2017 by MSU and University, after the referendum passed, the fee can increase anywhere from CPI to 4% each year at the discretion of the office of the AVP (Students & Learning) & Dean of Students. Fee increases are related to anticipated costs.
 - 8 ****New**** Annual \$150 co-op administration fee for FHS BioPharm program approved at USFC in September 2018 to start in 2019/20.
 - 9 EMBA deposit increase from \$4,000 to \$5,000 approved at UFSC in December 2018.
 - 10 Approval was granted by Fees Committee in February 2019 to increase the Supplemental Admission Application fee from \$40 to \$60 for graduate students in the Faculty of Engineering. This fee covers student use of an online interview software (KIRA) for admission. Includes Master of Engineering Design, Master of Engineering Entrepreneurship & Innovation, Master of Engineering in Manufacturing Engineering, Master of Engineering & Public Policy and Master of Technology Entrepreneurship & Innovation.
 - 11 A decision was made at the COFM (Council of Ontario Faculties of Medicine) to increase the Postgraduate Registration Fee by \$35 in 2019/20 and 2020/21 to cover increased costs.
 - 12 Physician Assistant Education Program has increased fees to reflect changes and updates to admissions software/technical support
 - 13 Fee changed to reflect the actual cost incurred to replace locks for students who require this service
 - 14 The proposal to implement an annual increase to the meal plans has been approved by the First Year Student Council.
 - 15 All Housing and Conference Service fee adjustments will proceed through the appropriate consultation and approval bodies for consultation/support (HCS Consultation Committees, Senate Sub Committee on Student Affairs, Ancillary Budget Process, etc). They are included in the Miscellaneous Fee Schedule to consolidate non-tuition fees into one schedule.
 - 16 All parking fee adjustments will proceed through the appropriate consultation: Budget Process. They are included in the Miscellaneous Fee Schedule to consolidate non-tuition fees into one schedule.

Additional Note: Fees listed in italics are non-sanctionable
